The Site identified in this certificate has been evaluated at an accredited and licensed/approved evaluation facility using the Common Methodology for Information Technology Security Evaluation/Common Criteria for Information Technology Security Evaluation version 3.1 release 5 and CC Supporting Documents as listed in the Certification Report. This certificate applies only to the location and specific security requirements described in the Site Security Target in conjunction with the complete Certification Report. The evaluation has been conducted in accordance with the provisions of the Spanish IT Security Evaluation and Certification Scheme, PRE/2740/2007 September the 19th, and the conclusions of the evaluation facility in the evaluation technical report are consistent with the evidence adduced. This certificate is not an endorsement of the Site by the Spanish Scheme or by any other organisation that recognises or gives effect to this certificate, and no warranty of the Site by the Spanish Scheme or by any other organisation that recognises or gives effect to this certificate, is either expressed or implied.
